YUKSEL DENIZ

Yuksel Deniz is a 26-meter gulet yacht with a beam of 6.80 meters.

Powered by 2 x 285 HP Cummins engines, the yacht offers a comfortable and enjoyable cruising experience along the coast.

Yuksel Deniz is equipped with GPS, VHF radio, and all necessary navigation and communication systems, along with all required safety equipment.

Guests can unwind on the spacious outdoor decks, where sun mattresses and shaded seating areas create inviting spaces to relax throughout the day. A swimming platform and sea ladder make access to the sea effortless, while onboard Wi-Fi, TV, and a Bluetooth sound system provide entertainment whenever desired.

For those looking for a more active charter experience, Yuksel Deniz offers a 4.20-meter tender powered by a 60 HP outboard engine, together with a variety of water sports equipment. Guests can enjoy water skiing, wakeboarding, ringo and banana rides, paddleboarding, and canoeing.

Snorkeling and fishing equipment are also available on board, offering excellent opportunities to discover the coastline and enjoy time on the water.

The yacht also features a fully equipped galley, refrigerator, deep freezer, ice maker, generator, and hot water system to ensure maximum comfort during the charter.

For entertainment and relaxation, guests can enjoy a TV, Wi-Fi connection, and Bluetooth sound system.

The yacht accommodates up to 10 guests in 4 cabins, consisting of
1 Master Cabin, 2 Triple Cabins, and 1 Double Cabin.
